PROSKIRTING INS 202060

ANODIZED SILVER, VARNISHED ALUMINIUM

PROSKIRTING INS 202060 is an anodized or painted aluminium skirting board, composed of a 60 mm vertical part, equipped with horizontal stripes to facilitate bonding and a horizontal protruding 20 mm part on which to lay the plasterboard. The cavity that is created can also be used for laying any skirting flush with the wall or left exposed. PROSKIRTING INS 202060 aluminium is suitable as baseboards in any interior environment.
